In fact, you can upload to all three, if you like. You can also email it to [timestales@msn.com](mailto:timestales@msn.com) and we will upload it to our own Youtube channel and send you the link.

Once your video is available online, visit [this post](#) on our blog and leave a link to your video in the comments. **This is your actual entry.**

### **How to win:**

There will be two winners to this contest.

- “Best” video as determined by the Times Tales publishers. This will be the video we determine to have best captured the Trigger Memory spirit. This could be the most heartfelt, most creative, most out-of-the-box, etc.
- We will use a [random number generator](#) to choose from the links in the blog post. That way every entry will have an opportunity to win.

### **Stuff you need to know.**

Contest deadline is August 15<sup>th</sup> with the winners to be announced on August 31. Winners will be announced via [the blog](#), [Trigger Memory website](#), [Trigger Memory Facebook page](#) and our monthly [Education Through Imagination Newsletter](#). Please leave a contact email when you post (not visible to readers) so we can contact you.

Your participation in this contest serves as your consent for Trigger Memory to use your submission in future marketing efforts.

No purchase is necessary. If you have not used Times Tales, you can use our [free print download or DVD sample](#) as the basis of your video.
